The first of the Winter Monthly Social meetings had been held at the Richmond Bowling Club at the end of last month, and although the turnout was modest, it was an enjoyable and convivial evening.

The date for the proposed Mid-Year function was confirmed as 30th July at the Richmond Bowling Club. It was agreed that we would get the Bowling Club to cater for the event and charge \$5 per person entry fee. It was also agreed that we would not hire a band or DJ, but would ask members to bring along their favourite CD's ,which we would play as background music and for people to dance to if so inclined, since at the last function most members seemed quite happy to chat rather than dance.

6. Monthly Social Evening Meeting

The next meeting to be held at Richmond Bowling Club on Friday 28th May at 7.30 pm. Pete will advise Members by e-mail.

7. A.O.B.

Trevor raised some points he had on preparation of the Annual Financial Report.

He had also prepared an inventory of the Trailer contents and valuation of the items was gone through as far as was possible.

John tabled reports from the international press showing that Triumph had out-performed all other motorcycle manufacturer's in the last year, with sales increasing where others were falling, and many new dealerships being set up, and being the best seller in Japan even.

John also reported on the condition of Les Freeman following his accident. He was recovering but still had a long way to go. John had sent a Get-Well card.

Wayne reported that Phil Garrett (Street & Sport) had attended the last social evening, and chatted about the proposed Mods & Rockers run for this year, due to be held 20th August. He wants to organize a photo-shoot at New Brighton in late May, using "vintage / older " bikes and scooters to publicise the event, and will keep in touch with us on this.

Date of Next Meeting

The next Steering Committee Meeting would held on Tuesday 8th June at Ken's home as usual 7.30pm.
