July minutes will be amended and a new copy forwarded to the area co-ordinator for posting on the website. Minutes passed as a true and accurate record.

#### 2. Treasurer's report

Ken reported on the financial status of the branch, details of which are appended to these minutes.

**Income:** Nil

**Debits:** \$4.15 bank fees.

#### 3. Membership report

Wayne advised two new members have joined the club. There were a number of deletions.

#### 4. Area co-ordinator's report

The mid-winter party had a good turnout and an enjoyable time was had by all.

Charlie Lamb talk confirmed for Friday, 27 August at the Richmond Bowling Club, 7.15pm. This event has been advertised to members. Talk to begin at 7.45pm and will be for about half an hour. There is no entrance charge and the club will provide supper.

Peter will send a reminder email to club members and confirm numbers for catering purposes.

#### 5. Rides and events

Raffle tickets sold well at mid-winter party. Wayne will take the raffle book to Moeraki ride, which is organised by the Southern area, this weekend. Raffle tickets will again be available at the Charlie Lamb evening.

There are a number of events coming up.

- Mods & Rockers ride on Saturday 28 August. The club is helping to organise this event and will have a bbq from midday at the back of Street & Sport. Phil from S&S is organising the route.
- The weekend of September 11 will be the West Coast / Nelson Creek run. There are still a few bunk beds left, but no double beds or rooms.
- The Whitebait run will be Show Weekend in November.

Peter will send an email to club members about all events as they get closer to the time.

The club will be taking the trailer to some rallies over the summer, beginning with the Magpie in November, and the March Hare in 2011. We are looking for a vehicle to take the gazebo and members' gear to the Woodstock rally at the end of January 2011. We can't put the big tent up at Woodstock nor have our own bbq so we don't need to take the trailer.

The TOMCC national rally will be in Wanganui from Friday, 11 to Sunday, 13 February 2011. See the website for more information. Blair advised that members will be sent bio information, prior to the national rally, of all those wishing to stand for positions on the national body. The AGM and voting will be held at the national rally.

Events are posted on the club's website: <http://www.tomcc.co.nz/index.htm>. Click the 'Events' box on the left hand side of the home page.

## **6. Other business**

Ken advised that the quote from Weka Stitch for a replacement PVC roof for the tent was \$1,700 plus GST and \$50 for bag repair. We've accepted the quote.

Ken will investigate the cost of having the banner attached to the roof, so it goes up with the tent, and for attaching a tarp as an awning to provide protection from rain and sun.

John advised that anyone can take a vehicle registration number into the post office, pay a nominal fee and can get a person's name and address. He is keen for club members to lobby their MPs about this.

## **7. Next social club steering committee meeting**

Tuesday, 13 September 2010, 7.30pm at Kens.
