## Canterbury Branch

### Social Club Steering Committee Meeting

Tuesday, 28 September 2010

**In attendance:** Peter Free, Area co-ordinator  
John Milligan, Regalia officer  
Ken Forsyth, Treasurer  
Wayne Woodward, Membership officer  
Sue Ryder, Secretary

**Apologies:** Trevor Lau, Newsletter editor.

#### 1. Approval of previous meeting minutes

Minutes of August 2010 meeting passed as a true and accurate record.

#### 2. Treasurer's report

Ken reported on the financial status of the branch for August and September 2010.

**Income:** Nil

**Debits:** \$260.00 to Richmond Bowling Club for mid winter event supper  
\$60.00 donation for Charlie Lamb for his talk  
\$125.00 to Richmond Bowling Club for supper at Charlie's talk.

#### 3. Membership report

Wayne advised there was no activity regarding membership enrolments for September.

There was a general discussion about losing members. The process is that every member gets a reminder that their membership is due. Sharon then sends to Wayne a list of membership numbers she intends to delete. If Wayne recognises any names he will contact them to say their membership is due and ask if they want to renew. Wayne doesn't ring if they haven't been active members.

The meeting agreed to continue to contact members who have been active. The \$35.00 initial membership fee also covers the badge (\$10.00). If someone has a badge and their membership lapses they can rejoin for \$25.00.

#### 4. Area co-ordinator's report

The Charlie Lamb presentation went really well. We will look to invite him again next year.

The committee members will look to get together in the second weekend in December and ride to Living Springs to discuss options for the national rally in 2013. Peter will let committee members know.

## **5. Rides and events**

There were low numbers at the monthly gathering on Friday 24 September. From October the Friday night rides will begin again.

The Nelson Creek Rockers run was cancelled due to the earthquake and is now combined with the Labour Weekend street racing in Greymouth.

See attached sheet for a list of upcoming events.

We still need to sell raffle tickets and we will take the raffle book to all events coming up.

A number of rallies and summer events are coming up, many of which fall on the last weekend of the month. We'd like to know if members are happy to change the once a month Friday ride to the third Friday of each month, rather than the last. Let Pete or Wayne know what you think.

Events are posted on the club's website: <http://www.tomcc.co.nz/index.htm>. Click the 'Events' box on the left hand side of the home page.

## **6. Other business**

The tent will be ready in late October or early November.

Not only is the roof being replaced and the bag repaired, we are also getting sides and front flap fixed and a new front lean-to. It will total approximately \$2,800. The club still needs to get some new tent poles.

Decision made to put the old tent roof on TradeMe.

John thanks any members who contacted their local MP to lobby for a law change. As at 1 April 2011 nobody will be able to take somebody's registration number and pay a small fee and get access to people's name and address. Only law enforcement agencies can get that information.

## **7. Next social club steering committee meeting**

Tuesday, 12 October 2010, 7.30pm at Kens.
