

## Northland Triumph Owners Motorcycle Club

### Minutes for July 2011 Meeting

**Date:** 17/07/2011

**Venue:** Billy & Jenny's Paparoa

**Apologies:** Barbara & Worzel, Mike, Greg, Mozzy, Sam

**Attendance:** Rennie, Jack, Mal, Clinton, Billy S, Billy P & Jenny P

**Meeting opened:** 1.30pm

**Meeting closed:** 3pm

Meeting opened with accounts being read and the account balance being put forward for members to view, all was good with these and it was moved that the account was in order by Billy Ponsonby and second by Rennie Dixon.

It was also put by Billy S that \$92.00 be put back into the account out of the petty cash the club has to replace the same amount that was taken out for the making of the badge's that were made, this was done on Monday 18<sup>th</sup> July.

The Social ride we where having in March next year has been put on hold as to it being to close after the national Rally in February 2012 and that our Waiheke trip will take its place on the 13<sup>th</sup>, 14<sup>th</sup>, 15<sup>th</sup> April 2012 Billy S will make up a flyer for this ride as we are hoping to have members from other chapters coming along as well there will be a Koha for all with a min of \$20.00 per person where this will be given to our hosts along with a club koha this will be worked out at the next meeting, all riders and pillions will be given a blue wrist band to wear when it has been paid.

At the Rally it will be also announced about our trip to Waiheke the cut off date for attending this ride will be 1<sup>st</sup> March 2012 so who will coming along please let Billy S know so it can all be organized with our Waiheke Family.

We the Northland Chapter will be heading down to the ferry on the Friday afternoon so as to catch the 8pm ferry and so we are all together so the ferry passage of the Northland Chapter

can be paid all at one time. Billy S will also send out an invitation to all Area Co-ordinators to hand out to their members to see if they would like to come along for a weekend of fun.

There are some Southland riders from Otago wishing to come along on the Waiheke trip so it is going to be quite good.

Thanks to members who gave their opinions on the Japper, Harley and Trike issues that are ongoing in the club more updates later as it is now getting out of hand.

We also discussed that we are going to put onto the web site a list of our meeting dates places and times so as everyone can see when and where they are also will be a copy of the flyer for the waiheke trip.

Don't forget the Swap Meet is coming up in September to help raise funds for our trip, Billy S will get some core board and start making the signs to put out about a week before hand so people will know about it and hopefully come along and buy a site. If some of you would like to make up signs let me know so as I can give out some board at the next meeting or I will drop it off to you when I go over to Whangarei usually go over on a Tuesday.

This will be another chance for everyone to get a logo put on a Tee Shirt

Before the National Rally and to talk about who is going and where to meet

I will attach the Swap Meet flyer so if you like you can print it of and put them out there.

The meeting in September will be to cover the swap meet and for members to go to the market they have there at the Tikipunga Tavern car park to hand out flyers and invite stall holders to come along to our swap meet on the 17<sup>th</sup> September.

To let all members know when we have meetings at members homes there will be a Koha tin there to help out the member who puts on the BBQ and drinks we used to have this up and running a few years ago but it has not been done for a time now so its going back to this to help out, what the members dose with it is up to him Billy P and Jenny P have said they are putting there's back into the Clubs account, you didn't have to do that Billy but the members thank you cheers for that.

I have made up a Discount pamphlet for the TOMCC and this will be put onto the web site soon for all co-ordinators to download and use I have been in touch with the President of the TOMCC Terry Williams over this and he is all for it and given the go ahead to put it onto the web site he has been phoning me to change a few of the wordings and we have finally got it right after a little tweaking, this is for members to get discounts at place's around the area and for the committee to put together a register of discount place's all over New Zealand.

What happens is the co-ordinator takes it into shops he / she thinks might give members discount and the manager or owner fills out the form and if its left there he or she posts it back to the co-ordinator then he sends it on to the committee member who will then do a register up to forward onto members the items will be arrange of things could be for a tyre, batteries, parts so it's a good thing to have.

Well that's covered everything I hope just one last thing, thanks for a good BBQ Billy & Jenny P

RIDE SAFE AND BE CAREFULL
