

Northland Triumph Owners Motorcycle Club

Minutes for June 2011 Meeting

Date: 19/06/2011

Venue: Trevor's print shop

Dargaville

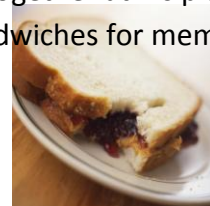

Apologies: Greg, Mal, Stevan, Clayton, Brent, Mozy, Mike & Margaret

Attendance: Billy & Jenny, Worzel & Barbara, Tracy, Jack, Rennie, Clinton, Bill, Trevor, Nigel and Zane

Meeting opened: 11am

Meeting closed: 1pm

Since we didn't really have a meeting to discuss anything of importance I will open the minutes with thanks going out to Trevor Moss for letting our club have our get together at his place of work in Dargaville. Thanks to Tracy as well for bringing along some sandwiches for members to enjoy they were really tasty, also to Trevor for putting on the coffee.

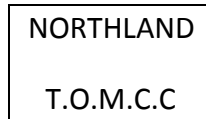

I hope everyone got to see how the screen printing worked and what is involved with the process of putting it onto the shirts, I must say they look great and they stand out very well, Trevor's print shop dose an array of things from sign writing and as you know screen prints as well as banners and also he can put names and logos onto coffee cups and with having said this the club will have a talk about getting coffee mugs done for each member for around December.

Billy Ponsonby is in the process of putting together a Balance sheet of the clubs finances so each member can see how the clubs money has been spent and also show balance of the clubs funds.

Also can all members have a think about a family club day out and BBQ get together before December 2011, think of a place that we can all get to with out to much hassle, an example the Twin bridges or a beach over Russell some where or even over Waipu, this would be a great time to meet other members partners and family members. Please bring ideas along to the next meeting to be discussed.

The club hasn't had a club photo taken since March 2007 so we should also have a think about getting this done at some stage, I will attach to this a photo of that club photo for some to see when I email this out to you also a photo of the logo so members who couldn't get to the screen print meeting will be able to see it, for members who missed this round and if members would like another shirt done the club will organize another screen print Sunday if its possible closer to or just after Christmas so if you want one to wear to the next Rally this would be the time to get it done but more on that at a later date.

There are four badges left out of the ten that got made so if you would like one get in contact with Bulldozer, these are \$10.00 each so be quick if we get more done they will be at a cost of \$12.00 each the badge is

the size is 90mm x 30mm black back ground and

White lettering so as I say only four left Bulldozers contact details: 02102321652 (09) 439-0467

Or just email bulldozerbillyboy@yahoo.com.au

Next Meeting @ Billy and Jenny Ponsonbys place in Paparoa, 1pm on 17th July 2011, # 1 School house lane

Some of you might still have the map on how to get there but I will send another with this news letter.

Well that's about it till we have our next meeting, once again thanks goes out to Trevor and to Tracy for what they did for the club on this Screen print day.

Cheers Bill

Here is one for you

My neighbor knocked on my door at 2:30am this morning,

CAN YOU BELEVE THAT.....

Luckily for him I was still up playing the BAGPIPES
