

Northland Triumph Owners Motorcycle Club

Minutes for August 2011 Meeting

Date: 28 / 08 / 2011

**Venue: 15 Liverpool St,
Dargaville, Bulldozers**

Apologies: Greg, Tracy, Stevan, Mal, Mike and Mozzy

Attendance: Billy & Jenny, Worzel, Jack, Clinton, Rennie, Nigel, Chris

Meeting opened: 1.15pm

Meeting closed: 3.15pm

Well not a lot has been happening at the moment apart from the great weather we are having.

The meeting started off with going over a few of the last meetings topics, the bank balance is looking good with the help of the Koha that Billy P put into the account from our last meeting that was held at his and Jenny's place at Paparoa, thanks Billy.

A quick look at where the TOMCC club is now that Les Oxnam the web site administrator and Terry Williams the clubs President have resigned to start a new branch of Triumph club, there club is known as the (Triumph Riders Motor Cycle Club) we wish them all the best.

Our clubs vice president is over seas at the moment and when he gets back we are hoping he will stand in as the clubs president until the National AGM in 2012, if he declines Ray Howard has put his hand up to help out until the AGM, also the club is looking for someone to manage the web site Ken Spall has someone who will do this at a small cost to the club he is not a club member which makes him neutral to club business which is a good thing, also Ray Howard has someone who is willing to do the job as well at a cost to the club and Ken has sent out to all Co-ordinators a note asking which company would we like to manage our web site, the person whom Ken has found there proposal looks the best in cost but I will get in touch with ken to find out more about it this week and let you all know the out come. Since writing this into the

minutes I have received an email from Ray and others that Ken will be getting the web site forum going with the people from down in his town **Office Acuity** up until the AGM in 2012 and if its going well they hopefully will run it for us as I say there will a cost for them to do this, any enquiries or if you would like to put anything on the web site just in touch with Ken Spall and he will pass it onto the company doing the web site, Ken will be helping them for awhile

As you know the next meeting is at Worzels and Barbara's place, 8 Korau Road, Tikipunga, Whangarei @ 10.30am, this is so we can go around to the markets at the Taverns car park to ask the stall holders there and to give them flyers to come along to our Swap Meet also I will be bring along some core board to make up some signs to place in Whangarei so if anyone has some pegs so we can nail our signs onto please let me know so we can put them altogether at the meeting.

I also have just about finished getting discounts for the TOMCC members from around Dargaville and Whangarei as soon as I have them all put together on paper I will send each member a copy, also it will be sent to the committee to help make up a national register for the TOMCC.

National Rally dates are still 10th, 11th, 12th February 2011 they just have to finalize the pricing for the cabins and site before they can give us more information on the Rally as soon as I hear what is going on you will be let known.

The Cold Kiwi is next week for those wanting to go 1st, 2nd, 3rd, and 4th September 2011 Billy P is heading down to this Rally.

We are putting together some Northland club records of our members and there bikes as we don't have anything to say who or what our Chapter is these will be handed onto the next Co-ordinator of the chapter when one stands down so as they know what is happening in the Northland Chapter this is why I was asking for your bike details, I do know you gave these to the committee when you signed up with the tomcc but they have all that information, its up to you if you would like to do this have the records of our chapter in our club as well.

The Auckland Poker Run is on the 29th October 2011

Burns Run is the 25th September 2011

I have sent an Email to the Waipu school saying we won't be attending there calf club day with a bike display as the bikes had to be there by 9am on the Saturday.

Social Ride to Waiheke is still on the Rego for this ride will be \$20.00 per person and as said before if you are a payed up member of the Northland Chapter the club will pay your return fare for the ferry. We have some tomcc members coming up from the south island and some from the Waikato chapter wanting to come along so an invite will be sent out to all area co-ordinators to ask them and there members if they would like to come over on this ride, they will be paying for there own ferry crossing. We will be sending some money over to Steve to get meat and stuff for this trip so we don't have to take it with us but if you find you would like to bring your own food please do so, alcohol can be brought over there more on this later and closer to the day 13th, 14th, 15th April 2012.

Well that's about it if any thing comes up that you think the other members would like to know about drop us a line and I will let everyone know

Here is one for the brood minded

WHAT ARE MATES FOR

A bloke stopped to visit his mate one day who had a broken leg.

His friend said, "My feet are cold mate, can you go and get my slippers from upstairs please."

The guy goes upstairs and sitting on the end of the bed were his mate's gorgeous twin 18yr old daughters. "Hi girls, your dad sent me up here to shag you both."

The first daughter looked up in shock.

"That's not true."

"Of course it is" continued the man.

"Look I will prove it."

He yelled down to his mate "Both of them?"

His mate yelled back, "Of course, both of them".

Cheers Billy S (Bulldozer)
