The meeting opened with Billy P reading out the details of our club account balance to date and all were happy with how things are progressing with the balance slowly getting higher, when these were read out it was put forward by Billy P that these had been read out very professionally and second by Worzel.

Well this was not the best of days to do much especially in the morning as it was wet as heck, I went up to the Sunday markets thinking that they might be closed due to the weather and I was right, there was only six sites still going at 10.15am all the others had packed up and gone home, the reason for going to see if they were open was because we where to go there as a club to let the stall holders know of our clubs swap meet next Saturday and to invite them along to the day, as it turned out the stall holders there are happy to come along to our swap meet.

The flier for the Waiheke Social Ride was looked over by members and as there is no changes to be done to this it has now been sent out to all Co-ordinators to hand out to there members as well I sent it through to Ken Spall and it got there just in time to go into the September news letter that will be heading your way soon, it will also be going into the December issue news letter.

Billy S will get hold of Steve over Waiheke to get him to find out the pricing of motorcycle and rider for a return ferry trip as pricing seems to be going up all the time, also to find out what will be needed in the way of food etc, this might be wise to do closer to the time of the ride in April.

Billy P will be going down to the Auckland Poker run on the 29<sup>th</sup> October 2011, any one wanting to go down with Billy P please be at the Brynderwyn turn off on SH1 by 8.30am on this Saturday of the poker run and Billy will meet you there.

Other runs and things happening at this stage of the year are: **Swap Meet 17<sup>th</sup> September @ the Tikipunga Tavern, Burns Ride 25<sup>th</sup> September from Kaiwaka fire station leaving there @ 11.30am for Waipu Fire station, Treble T run 5<sup>th</sup> November 2011, also our next meeting will be a ride to Opononi Sunday 30<sup>th</sup> October 2011.**

Reminders will be sent for the Opononi ride, All to meet at BP Wylies at 10.30am from there you will ride SH1 up and around to Opononi and head to the hotel and take away shop for lunch, when all are ready to head home some riders might have to refuel there are fuel pumps out side the shop and pub or there is the BP at Omapere just two minutes ride west, but once you are ready the home ride will be down through the twin bridges and down to Maungatapere and home. Have a great ride I will be heading up in the car through the forest as I am not well enough to ride at the moment so I will see you there, Billy S.

We are looking for the owner of this jumper there is also a Fine attached to the owner for having his Harley Rego on his Triumph, this jumper can be picked up from Worzels it has a storage fee as well LOL. Clinton also has this persons bag there is no hurry all products are in safe hands (Jack).

Well that's just about for this month don't forget next Saturday 17<sup>th</sup> September Swap Meet at the Tikipunga Tavern car park start 7am finish 12noon it will be a fine day so come along and sell your stuff.
